SHORT COURSE IN QUALITY ASSURANCE AND REGULATIONS OF HERBAL PRODUCTS

INTRODUCTION

The African Center of Excellence for Drug Research, Herbal Medicine Development and Regulatory Science (ACEDHARS) was established to train skilled manpower on quality assurance, standardization of dosages, reproducibility of herbal preparations, drug development, drug repurposing and safety monitoring of drugs in West and Central African regions through short courses, Masters and Doctoral degree programs. The Center is domiciled in University of Lagos, Nigeria and has facilitators from the University of Lagos, partnering institutions and from the industry.

The Short course in Quality Assurance And Regulations of Herbal Products is specially designed for traditional medicine practitioners registered with the Lagos State Traditional Medicine Board (LSTMB) and Modern Traditional Medicine Practitioners of Nigeria (MTMPN) to boost the capacity of participants in the production and use of herbal medicines in line with standard global practice.

The Short Course is an overview of all aspects of herbal medicine production, commercialization and post-market surveillance. There are five modules and a module will be taken per day:

COURSE MODULES:

1. Formulation and Packaging of herbal products
2. Standardization & Quality control of herbal products
3. Toxicological evaluation of herbal products
4. Regulation of Herbal products
5. Pharmacovigilance
