Short Course
in
Quality Assurance and Regulation of
Herbal Products

Date:
15th
to
19th June,
2026

INTRODUCTION

The African Centre of Excellence for Drug Research, Herbal Medicine Development and Regulatory Science (ACEDHARS) was established to train skilled manpower on quality assurance, standardization of dosage, reproducibility of herbal preparations, drug development, drug repurposing and safety monitoring of drugs in West and Central African regions through short courses, Masters and Doctoral degree programmes. The Centre is domiciled in University of Lagos, Nigeria and has facilitators from the University of Lagos, partnering institutions and from the industry.

The short course in Quality Assurance and Regulations of herbal Products is specially designed for traditional medicine practitioners to boost the capacity of participants in the production and use of herbal medicines in line with standard global practice

Application

Application forms are available in the following offices – ACEDHARS, LSTMB and MTMPN and online [‘Click here’](#)
